THE MINISTER OF HEALTH AND FAMILY WELFARE (SMT. SUSHMA SWARAJ): (a) It is not true that patients have to wait for long to get treatment at the AIIMS hospital.

(b) to (d) At present, there is no proposal before the Government for granting referral status to AIIMS. AIIMS had'included a proposal for creation of a Renal Science Centre in the 10th Plan document. However, the Planning Commission has not granted in principle approval to the Scheme so far. Necessary steps have been initiated by the Institute to reduce the difficulties of renal patients, including extended working hours for the existing faculty and staff of the Department of Nephrology.

Food borne diseases

2759. SHRI R.P. GOENKA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state :

(a) the incidence of food borne diseases during the last three years;

(b) the different kind of food borne diseases that have occurred with high incidence;

(c) the break up of the incidents of different food borne diseases, State-wise; and

(d) the precautionary measures taken by Government?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SMT. SUSHMA SWARAJ) : (a) to (d) As per information provided by Central Bureau of Health Intelligence (CBHI) incidence of common food borne diseases like Cholera, Enteric Fever, Viral Hepatitis and acute diarrhoeal diseases during the years 2000, 2001 & 2002 state-wise is enclosed *(see* below). High rates of incidence has been reported in the cases of acute diarrhoeal diseases, Enteric Fever, followed by Viral Hepatitis. To strengthen surveillance activities to promote early surveillance activities to promote early detection of outbreak and initiate appropriate action for prevention and control of outbreak of epidemic prone communicable diseases including infectious food borne diseases, a 'National Surveillance Programme for Communicable Diseases (NSPCD)' under central sector

health scheme has been implemented since 1997-98 in a phased manner. Currently, NSPCD is in operation in 101 districts of the country. State governments are responsible for implementation of the programme. National Institute of Communicable Diseases (NICD) is the nodal agency for capacity building, and supervision of implementation of the programme. Under the Tenth Five year Plan, an Integrated Disease Surveillance Programme is envisaged to strengthen the mechanism of surveillance of various diseases at district, state and national levels of the country.
